93.16 DISTRICT COUNCILLORS' REPORT

District Cllr. Taylor arrived at 19.00

District Cllr. Taylor stated that the A27 consultation would come before the Cabinet however the report is not available yet.

Q. Do I understand correctly that Developers have to contribute towards the cost of roundabout improvements?

A: Yes, as part of the Local Plan there has been a consultation with developers with regard to the contribution towards the improvement of the A27 roundabouts, however ultimately this money would go to the Highways England.

94.16 CODE OF CONDUCT

1. Declarations of Interest on items included on the agenda - none.
2. Dispensation requests - none.

95.16 A27 Consultation - 14th July - 22nd September 2016

Following a long detailed discussion on a proposal by the Chairman it was RESOLVED that the Parish Council state that none of the options serve the residents of the parish and suggest that Highways give further consideration needs to be give the northern bypass routes as all the Southern Options have an impact on the residents of the Peninsula.

Q: Do you know if the North bypass was single or dual carriageway?

A: The Chairman responded that the North by pass would be a dual carriageway and would be cut into the ground with slip roads

A resident stated the Northern route would provide direct access to the Goodwood events thereby reducing the impact that these events have on the whole area.

Meeting closed 7.27pm
