

EARNLEY PARISH COUNCIL
SICKNESS & ABSENCE POLICY

1. PURPOSE AND SCOPE

The purpose of this policy is to ensure that the operational efficiency of Earnley Parish Council can be maintained whilst employees are absent for sickness or injury related reasons. It also seeks to provide guidance, security and support to employees during periods of ill health.

2. PROCEDURE

Employees who are unable to attend work through sickness, accident or personal circumstances must notify the Chairman of the Employment Committee of the reason for their absence no later than 10am on the first morning of absence. You should make every effort to speak to someone who can be briefed on your workload and any urgent matters that may require attention. If possible, you should give an indication of how long you expect to be absent so that arrangements can be made for cover if required.

If the absence is for a period of less than 7 days, employees should complete a self-certification form on their return to work. For periods over 7 days a medical certificate is required.

It is the responsibility of each employee to keep the Chairman of the Employment Committee advised of the circumstances that are preventing them from attending work, or their likely return date, action being taken to mitigate the effect of the illness (e.g. GP visits).

Employees who are absent from work due to reasons other than sickness/accident are required, wherever possible, to obtain permission from the Chairman of the Employment Committee. The Parish Council will consider each case of absenteeism on its merits and written evidence may be required. Where the incapacity to work arises from voluntary action by the employee, then sickness absence leave and pay will be entirely at the Parish Council's discretion and employees are strongly advised to discuss such circumstances, in confidence, with the Chairman of the Employment Committee in advance. Where absenteeism appears to be unreasonable or unwarranted, employees may be liable for

disciplinary action for misconduct. The Parish Council reserves the right to make welfare visits to the home of the employee whilst they are on sick leave.

Requests for temporary adjustments to the employee's working conditions will be considered by the Council and will be accommodated wherever possible and if the Council's circumstances permit. You should expect a "return to work" meeting with the Chairman of the Employment Committee as soon as practicable, this will be to ensure that you are fit to work and to update you on developments and your workload.

Unauthorised absence will be dealt with in accordance with the Council's Disciplinary Policy.

3. SICKNESS PAY

Sick pay will be paid in accordance with your length of service as outlined in your contract. Statutory Sick Pay is paid where applicable at the current rate.

4. RETURN OF COUNCIL EQUIPMENT

If the employee is off sick for an extended period of time the Council may require them to return Council equipment until they are well enough to return to work. If the employee does not return to work following a period of sickness absence, they will be required to return all outstanding Council equipment on the date of termination of his or her employment.

5. LONG TERM OR FREQUENT SHORT-TERM ABSENCE PROCEDURE

This procedure is designed to outline the process where an employee is absent due to sickness on a long-term or frequent short-term basis. The discussions and investigations will review the employee's capability or capacity to undertake the work. The aim is to ensure fair treatment for all.

The procedure is non-contractual and does not form part of the terms and conditions of the employment with Earnley Parish Council.

5.1 Principles

5.1.1 Sickness absence issues will be dealt with sympathetically and sensitively, whilst also recognising the requirements of the Parish Council and the impact of the absence on the Council.

5.1.2 Periodic contact should be maintained during the period of sickness absence.

5.1.3 A full review, normally including medical reports, will be undertaken in each case.

5.1.4 All periods of sickness absence (after the first 7 days self-certification period) must be certified by a medical practitioner ("fit note") and in some cases the employer may request certification for periods of absence of less than 7 days, in which case it will pay the appropriate fee to the medical practitioner issuing the certificate.

5.1.5 The employee will be consulted at each stage of the procedure to establish the true medical position and in order that the situation can be reviewed in full.

5.1.6 The employee will be advised if their employment may be at risk.

5.1.7 Throughout the procedure, discussions should take place on any reasonable adjustments that might be considered, to enable the employee to return to work.

5.1.8 Where possible, appropriate assistance will be provided to help the employee to return to work.

5.1.9 In cases of long-term ill health, the Parish Council will, where possible, hold employment open for up to one year.

5.1.10 In all cases before taking a decision to terminate an employee's contract on grounds of ill health, the Employment Committee will take into account:

- Any representations from employees, including additional medical information
- The employee's length of service
- The employee's most recent health situation and the likelihood of an improvement in attendance
- Whether it is possible to hold the job open for longer and the effect of past and future absence on the Parish Council
- The availability of suitable alternative work or working hours
- Any other reasonable adjustment which could be reasonably expected to facilitate the return
- The impact of the Disability Discrimination Act 1995 and the Equality Act 2010, on a case, and whether this may have a bearing on the actions being taken

5.1.11 The employee will be informed of the right of appeal against any decision taken to terminate his or her contract of employment

5.1.12 At all formal stages of the procedure, the employee may be accompanied by a colleague or trade union representative

5.1.13 Where it is clear early on that the employee will not be well enough to return to work, and after consultation with the employee, the employee's contract may be terminated prior to stage 3 of the procedure, but not before the employee's sick pay has expired

5.1.14 The Chairman of the Employment Committee must contact the pension provider

5.1.15 Where there is reason to believe that the employee is absent due to misconduct rather than genuine sickness, the matter will be dealt with as a disciplinary matter under the Disciplinary Policy

5.2 INFORMAL MEETINGS

Absence levels will generally start to be of concern to the Parish Council at the following trigger points:

- 3 absences in a 12 week period
- 10 days intermittent absence over the past 12 months
- 3 weeks continuously off sick

Where there is the case, the Chairman of the Employment Committee will normally discuss absence levels with the employee. The aim will be to encourage the employee to understand the Chairman's concerns and to agree ways, if possible, of improving the situation.

The Council shall have the right at any time to require you to submit to examination by an independent medical practitioner selected by the Council, to obtain a confidential report on your condition from such practitioner and to discuss with such practitioner the findings of his/her examination and his/her prognosis of your likely recovery and or fitness to resume work and any recommended treatment.

5.3 THE PROCEDURE

5.3.1 STAGE ONE - first formal meeting

A first formal meeting will be arranged where:

- In the case of long term sickness absence, there is no clear date of return

- In the case of frequent short term sickness absence, there has been no improvement in the weeks subsequent to the informal meeting

The Chairman of the Employment Committee will notify the employee in writing of the meeting to discuss the employee's sickness absence. The employee will be advised of the concerns and that this is the first formal stage of the procedure. He or she will be advised of the right to be accompanied by a colleague or trade union representative and will be given the opportunity to state his or her point of view.

Medical reports may normally be reviewed to assess whether there is any underlying health problem, and if so, what this is. Alternatively, permission to access medical records may be sought at this meeting.

There will be discussion on ways to assist the employee to return to work, where appropriate. Unless there is a clear date for return (e.g. in the case of a broken limb), the Chairman should advise the employee that employment cannot be held open indefinitely. He or she should state that there will normally be two further meetings, after which the employee's contract may need to be terminated on grounds of capability.

The issues discussed at the meeting will be recorded and a date set for a second formal meeting.

5.3.2 STAGE TWO - second formal meeting

The employee will be informed in advance of the meeting in writing and advised that he/she may be accompanied by a colleague or trade union representative. At the meeting the employee's absence will be reviewed. Medical reports will be reviewed again where appropriate. An up-to date medical report will normally be sought prior to the second formal meeting; the report will be discussed at the meeting.

If at the second formal meeting, the employee's absence is still a cause for concern, the manager should advise the employee that there will be one further meeting, after which the employee's contract may need to be terminated on grounds of capability.

The issues discussed at the meeting will be recorded and a date set for a third formal meeting.

5.3.3 STAGE THREE - third formal meeting

The employee will be informed of the meeting in writing and advised of his/her right to be accompanied by a colleague or trade union representative. The meeting will be held by the Chairman of the Employment Committee. A letter will advise the employee that it is

possible that termination of employment on the grounds of ill health may be an outcome of the meeting, but that the employee will have the opportunity to state his/her point of view, which will be fully considered.

Medical information should again be reviewed at this meeting. The employee's absence should be discussed again. An up-to-date medical report will be sought prior to the third formal meeting and the employee should be asked for his or her views. The report will be discussed at the meeting. Where there is any lack of clarity, or a dispute on the medical information, a second, independent medical report may be sought.

If a decision to terminate employment is taken, the employee will be provided, soon afterwards, with a letter outlining the reasons for the termination of his/her contract, the date on which the contract will terminate, and details of the right of appeal.

5.3.4 APPEAL

If the employees wishes to appeal against the decision to terminate employment, he/she should write to the Chairman of the Employment Committee, giving the reasons for the appeal. This appeal must be made within ten working days of the date of the letter confirming termination of employment. The employee will have the right to be accompanied by a colleague or a trade union representative at the meeting which will be held without unreasonable delay. The employee will be given the opportunity to state his or her point of view at the meeting. The Parish Council's decision will be final. The termination date of employment will not delay in order for the appeal hearing to take place.

A review of the policy shall be undertaken bi-annually (or as appropriate) and necessary amendments will be undertaken by the Clerk and reported to the full council for approval. The Council will undertake to ensure that its members and employees are trained in the processes required by this policy as deemed appropriate.
