Law and Regulation Regarding Internal audit

Regulation 6 of the Accounts and Audit (England) Regulations 2011 imposes a duty on local councils to 'maintain an adequate and effective system of internal audit of its accounting records and of its system of internal control in accordance with the proper practices in relation to internal control. Internal audit is a key component of the system of internal control.

The purpose of internal audit is to review and report to the council whether its systems of financial and other internal controls over its activities and operating procedures are effective.

Internal audit's role is to assist the council in fulfilling its responsibility to have and maintain proper internal control arrangements and those for the prevention and detection of fraud, error or mistakes

All internal audit work must be reported to the council. Any report by internal audit is addressed to the council, may recommend actions to be taken by the council, and should be treated as a document open to view by local taxpayers.

Two pieces of legislation set out how local councils should behave when accounting for the public funds they manage and what rights local taxpayers have in relation to those accounts. These are the **Audit Commission Act 1998** and the **Accounts and Audit Regulations issued from time to time under the Act**. The requirement for local councils to prepare accounts annually and to subject them to external audit comes from the Audit Commission Act 1998 (the Act). The Act describes the rights of taxpayers and other interested parties in relation to those accounts.

Under the regulations, all local councils must at least once a year conduct in accordance with proper practices a review of the effectiveness of their system of internal control and publicly report the outcome. The Annual Governance Statement in Section 2 of the annual return provides the means for local councils to report to local taxpayers on their system of internal control.

This report is prepared for the council and proper officers of the council named above, for use in fulfilling their obligations under the Audit Commission Act 1998 and the Accounts and Audit Regulations issued from time to time under the Act for preparing the Annual Return and reviewing the effectiveness of their system of internal controls. Mulberry and Co accept no responsibility for any action or inaction taken as a result of the findings of this report and accept no responsibility to any other party other than those named above.

Summary Findings

I enclose my final report for your kind attention and presentation to the council. I am pleased to report that overall the systems and procedures you have in place are entirely fit for purpose and a model for good practice. I am therefore pleased to report I can sign of the annual return positively.

My audit was conducted in accordance with current practices and guidelines and testing was conducted in line with the inherent risks assessment. Whilst I have not tested all transactions, my sample has where appropriate has covered the entire year to date. Amongst others the following areas were covered in my testing:-

- Review of the Financial Regulations & Standing orders
- Review of the Risk Assessments
- Review of the Budgeting process
- Proper Bookkeeping – review of the use of the excel package.
- Review of Income
- Review of Salaries
- Review of Fixed Assets
- Review of Annual Accounts

A. BOOKS OF ACCOUNT

The excel system of recording the financial transactions of that of the council was logically presented and easy to follow and understand. The carry forward balances from the previous year were brought forward correctly and the total receipts and payments as shown on the cashbook agreed to the year-end bank reconciliation. The limited number of transactions lends itself to a simple cashbook style of presentation and on this basis I make no recommendation for change at this stage.

B. FINANCIAL REGULATIONS

The financial regulations and standing orders are reviewed annually and kept up to date. Evidence was seen to show council is following regulations and proper practices. S.137 is shown separately along with VAT and amounts for S.137 are within limits. The VAT reclaim at January 2015 was reviewed and there were no errors on the sample tested. I make no recommendation for change at this stage.

C. RISK MANAGEMENT & INSURANCE

Council has a good system of internal review and control. Risk assessments are carried out and documented in accordance with regulations. I make no recommendation for change at this stage.

D. BUDGET & PRECEPT

Budgets are drawn up in the correct timescale and are reported on regularly. Reserves are circa 50% of precept. I make no recommendation for change at this stage.

E. INCOME

Income was tested to documentary evidence; it is banked properly and recorded correctly on the annual return. Refunds of VAT were reconciled to remittances and supporting schedules.

F. PETTY CASH

No petty cash

G. PAYROLL

Council approves the wages scale annually and this is minuted. Testing proved wages to that approved by council and deductions were correct. I make no recommendation for change at this stage.

H. ASSETS AND INVESTMENTS

The asset register was complete and up to date. Assets could be reconciled to the annual return and insurance schedules. I make no recommendation for change at this stage.

I. BANK RECONCILIATIONS

The year-end reconciliation was correct with no adjustments. Council has a good system of internal review and presentation and I make no recommendation for change at this stage.

J. YEAR END ACCOUNTS

These were correctly prepared on the receipts and payments basis. Amounts could be traced back to the cash books.

K. TRUSTEESHIP

Professional Independence and Competence Questionnaire

The internal audit function must be sufficiently independent from the management of financial controls and procedures of the council which are the subject of review. The person or persons carrying out internal audit must be competent to carry out the role in a way that meets the business needs of the council.

There are two key principles, which all local councils must follow in setting up their internal audit function, regardless of how procured: **independence and competence**.
