

Earnley Parish Council

Minutes of the Planning Committee Meeting held on 28th June 2018 which commenced at 6.45pm at Bracklesham Barn, Beech Avenue, Bracklesham

PRESENT: Chris Charter (Chairman), Sandy Simpson (Vice Chair), Keith Martin Robert Carey and John Stant

In attendance: Louise Chater (Clerk) and three members of the public.

P72.18 PUBLIC QUESTION TIME

1. What does a section 106 agreement mean?

It is a fee that developers are required to pay to assist with infrastructure.

2. The applicant for planning application 107 advised that he had received a letter from Chichester District Council expressing concern regarding the parking, he has had a scheme designed which is due to be submitted to Chichester District Council shortly.

The applicant advised that the upstairs of the building complied with the permitted planning consent, however, downstairs remained as the original build. The Chairman advised the applicant that the Parish Council had objected to the application because the building was not approved. Had the building been approved in its current form the Parish Council decision would likely to be different as the Council are aware that there is a need for holiday accommodation in the area. The Chairman advised that the applicant give consideration to submitting an application to get the building approved as it currently stands.

PENDING CONSIDERATION

District Cllr. Martin advised that he had meet with the Planning Officer,
CDC have commissioned a consultant to review the tourism report submitted
by the applicant. He had also meet with the applicant and had explained his
concern about the loss of tourism and considered it to be in an ideal location
for tourism. The applicants had not fully taken on board the loss of
employment and the proposal for the industrial buildings on the site and
were not entirely appropriate for the location. The applicant was
investigating the possibility of a hotel. Earnley Conservation Area Plan is
very clear that there is a requirement to reduce the traffic through the
conservation area and if permitted the Parish Council would require S106
funding for traffic calming for Almodington Lane.

P82.18 LOCAL PLAN

Local Development Framework meeting held on 6th June - update
Cllr. Simpson and Stant attended the meeting and a background on the review was presented. 70% of the District is within the national park therefore all development would have to take place in the remaining 30%

of the District. They were provided with potential housing numbers and questions were raised on the AONB, Pollution and the A27. Evidence is being gathered by CDC to support the Local Plan Review. The District Council have decided to concentrate the provision of new housing on the East/West corridor and in the settlement hubs of Selsey and Wittering and the City.

None of the infrastructure appears to be part of the consideration when setting the objectivity assessed need is set by the Government. The District Council are under pressure to ensure that the Local Plan Review is completed and accepted by the Planning Inspectorate to ensure that developers do not have the opportunity to dictate where the building takes place via the planning appeal process.

P83.18 EXTERNAL CORRESPONDENCE

None.

P84.18 REPORTS ON EXTERNAL MEETINGS

The Chairman reported that he had attended a joint meeting with representatives with Sidlesham Parish Council to discuss the introduction of Article Four status on the Land Settlement Association (LSA) properties remove the permitted development rights associated with Part Q applications. Unfortunately, this was met with resistance, however, the Officers did advise that they were reviewing the submitted applications to ensure the buildings were structural sound and would be doing site visits going forward. It has been agreed to map out the LSA and the officers have agreed to carry out a site visit when the information has been compiled. It was noted that the District Council were proposing to put an article on this matter in their next newsletter.

P85.18 ITEMS FOR REPORTING AND FUTURE AGENDAS
